I'm sure he has a plan that does not involve that. But the threat of him being able to do that is certainly part of the fear factor he's using on the cucks in Congress.

correct, but he can order the NAT guard to stand down if needed. unfortunately he has no control over the capitol police... but there are only around 2k of them and a lot are useless fat asses or girls.

President does not have to order it, the criminals going against the will of the people have given Patriots all the ammo they need to defend the constitutional Republic against enemies of the state. If they install Biden against our will we have an obligation to do what is needed to restore the Republic.

He may not need to order it. I'd imagine it will happen regardless.

There's a count of pedes who would storm the Capitol if ordered by POTUS, and a count of those who would even if POTUS conceded. Right now I'm in the count of those who would if ordered by POTUS.
